FOOTBALL

The Lebanon Football Team, captained by Dick Ruel and entering its first season under Coach John Royal began with an impressive win over Towle 41 to 0. This seemed only the beginning for they beat a strong Berlin Team 20 to 0 and then knocked off Stevens 26 to 0. After beating Hartford 19 to 6 and a scrappy St. John's team 18 to 6, Lebanon fans began to yell for an undefeated season. In the following weeks they walked over Windsor 24 to 13, our arch-rivals Hanover 26 to 12 and finally Franklin 19 to 6 to complete what was to be the seventh undefeated season in seventeen years.

Another record was also made by Irving Fountain who scored 12 touchdowns in all and at least one touchdown in every game. Other scoring honors went to Dick Ruel who had two, Don Fillion six, Mike Alafat four, C. Sleeper two, Jack LeBrun two and Bob Bouncy Bellavance two. This may be Coach Royal's happy year but it is also sad in other respects for he is losing ten seniors. Even with these players missing Coach Royal expects another good season next year.

FIELD HOCKEY

Coach: Miss Garland
Manager: Helen Goodman

Co-Captain: Shirley Lutz
Co-Captain: Theresa Dutille

On September 12th about 40 girls turned out for field hockey under the supervision of their new coach, Miss Garland, whose co-operation and unselfishness were a great aid to the girls.

The season began with their annual game with the alumni which ended in a 7 to 0 victory for Lebanon High School.

A few days later they bowed before a strong Hanover team 2 to 0. The "Leb Debs" lacked the experience necessary to score against the powerful team from Hanover.

Stevens next defeated them 2 to 1 in a game which proved to be the heart-breaker of the season. The "Debs" were able to score three goals, but only one was to count, officially.

Towle 0 — Lebanon 0 was one of the most thrilling games of the season, with both teams threatening to score many times.

Now that all their home games have been played, they journeyed to Hanover only to lose 1 to 0 in the closing minutes of the game.

Naturally the girls were becoming a little discouraged, but because of Coach Garland's unlimited confidence in them they were inspired to defeat Stevens 3 to 0 in a well-played game showing much improvement.

The defeat of Towle 1 to 0 ended the season for the field hockey girls. Both games played with Towle were hard fought and well played by both teams.

The scoring of the varsity games was well distributed with every member of the forward line slamming in one goal each.

First row: A. Berube, A. Emery, E. Budd, S. Laro, J. LaCoss, S. Lutz, Miss Garland, Coach; T. Dutile, R. Jones, C. Bellavance, E. Despres, J. Brown.

 Third row: J. Ruel, C. Foster, D. Downes, C. Yelle, B. Walker, L. Smith, B. Halcy, M. Buckley; N. Agan, J. Fountain, L. Devine, J. Currier.

The exceptional playing of Lebanon's undefeated junior varsity team should not be forgotten. Their future seasons are bound to be successful.

Seniors who played their last game for L. H. S. were Co-Captains Shirley Lutz and Theresa Dutile, Ethel Budd, Shirley Laro, Anna Emery, Carol LeShana and their faithful manager Helen Goodman.

To next year's team the seniors wish all the luck needed to have a successful season.

BOYS' BASKETBALL

Five lettermen, all seniors, returned to Coach Kingsbury in November and they formed his first team. For four of them, it was their third year together on first team. Yet, the Raiders could do no better than finish fourth in their second year in the Twin State League with a six won, six lost record and won nine and lost nine for the whole year. Four of their losses were by three points or less.

As in the previous two years, Lebanon started off successfully, winning their first three games. They were unbeaten in 1951, but after Christmas vacation they proceeded to drop 5 out of the next 8 games. They never regained their old form, and lost four of their last five. When the team was hot and wanted to win, they were very, very good, but . . .

Bruce Johnson very deservedly made the TSL All Star second team while Leo Tremblay, Eddie Marchewka, and Bruce Richardson made honorable mention.

In individual scoring Captain Leo Tremblay led with 202 and was followed by Bruce Johnson 165, Eddie Marchewka 130, Irving Fountain 124, Bruce Richardson 96, Jackie LeBrun 70, Dick Ruel 37, Buddy Bond 19, Paul LaBarre 8, Jim Wilson 5, and Alton Brown 2.

GIRLS' BASKETBALL

Captain: Theresa Dutile
 Managers: Ethel Budd, Beverly Murphy

Coach: Miss Natalie Smith

As winter began, over fifty girls could be seen practicing basketball on the gym floor. After Thanksgiving, the squad was cut to twenty-four, as strenuous practices got underway. Returning lettermen were Theresa Dutile, Jean LaCoss, Lorraine Devine and Judy Brown.

With their fair play and good sportsmanship, the team had a successful season, with a memorable record of 11 wins, 3 losses, and one tie.

By far the most thrilling games were the two played against Hartford.

Two squad members, Theresa Dutile and Jean LaCoss, were honored upon making the first string in the Twin State League All Star Team.

Scoring honors go to Theresa Dutile with 200 points, Sybill Martel with 161, and Lorraine Devine who tallied 145. Next year the Raiderettes are fortunate in losing only two members from the class of 1952: Four-year letterman Theresa Dutile, and newcomer Carol LeShana.

The Junior Varsity achieved a total of 4 wins, 3 losses, and one tie. High honors go to Irene LaCoss, with a sum of 89 points.

BOYS' SKI TEAM

This year the ski team was quite fortunate in having early snowfalls. The snow gave our exceptional coach, Al Merrill, a chance to put the team in tip-top shape.

A practice meet against Stevens High brought the first victory with Curly Carr placing first in both downhill and slalom.

On February 1 and 2, two meets were scheduled; consequently, half of the team went to Proctor Academy and placed second only a few points behind Proctor, but defeating two other schools. The other half of the team copped the Berlin Winter Carnival by over-powering six teams, the closest being twenty-nine points behind.

Two days later one of our most promising four-event men, Frank Wall, was lost for the season with an attack of appendicitis.

Even with one man missing from the team Lebanon was victorious over seven teams in the State Interscholastic Class "A" championships at Lebanon.

The following weekend a trip was made to Bethel, Maine, as the All New England Interscholastic Class "A" meet was held at Gould Academy. The favored Edward Little High team from Auburn, Maine, was upset by the teamwork of Lebanon High which surprised the highly interested crowd. Twelve teams contributed considerable competition over the weekend.

The Eastern championships which were held in Hanover proved fatal to Lebanon as Edward Little High went home with the laurels. As we defeated four teams and placed second the greatest loss was not the meet, but was the loss of our indispensable captain, Webster Sleeper, who broke his ankle.

With an over-all look at the season just past, the ski team had a fairly successful year.

Members of the team competing were seniors, Webster Sleeper, Jerry Wood, Dean Hutchinson, John Estes, Bob Griffin, Don Tuttle; juniors, Dick Boisvert, Eugene Boisvert, Paul Hastings, Frank Wall, Bradley Patterson, Manager; sophomores, Curly Carr, Sonny Demers, and eighth grade, Eddie Letson.

*First row: B. Duhaime, A. Manchester, S. Nelson, Mr. Merrill, J. Briggs, J. Mooney, F. Bassett.
Second row: M. Driscoll, N. LaCourse, N. Agan, B. Haley, J. Feenstra, E. Dupuis.*

GIRLS' SKI TEAM

Although Lebanon has not had an organized group of girl skiers for about three years, this year they organized a recreational club. The extent of membership has grown considerably since the organization of the group. Mr. Merrill, coach of the boys' team, helped the girls with this group. Along with him we have two other coaches—Mr. Quimby and Mr. Heistad.

This is not a competitive club, but just for girls who are interested in learning the fundamentals of skiing. We have outings three times a week under the directorship of one of our three coaches. If you happen to be up on Storres Hill, you can see skiers and ski poles flying around, but everyone is happy. If the girls try hard enough, maybe when next year rolls around, they will be ready to face competition. With the growing of this team the girls will be able to produce an active Girls' Ski Team.

First row: R. Prue, C. Sleeper, P. Wood, Mr. Merrill, Coach; N. LeBrun, B. Johnson, I. Fountain.
 Second row: G. Camp, (Manager) W. Dupree, J. Carr, C. Sanborn, P. LaBarre, J. Estes.
 Third row: H. Davison, B. Johnson, D. Rihl, R. Boisvert.

TRACK

This year Mr. Merrill takes pleasure in coaching the "Cindermen" with George Camp as worthy manager. Mr. Merrill believes that everyone should participate in a running event so there is no shortage of runners

Although the team has been weakened by the loss of last year's seniors, it is still very strong.

A team that has as much material and experience as this one will be hard to defeat.

First row: S. Louks, A. Stoodley, J. LaCoss, P. Ford, T. Dutile, E. Richardson, R. Jones.
 Second row: Mrs. Lambert, Coach; T. LaBarre, J. Leonard, J. Ruel, N. Mason, J. Dunbar (Manager).
 Third row: L. Devine, K. Dawson, S. Martel, J. Fountain, C. Foster.

SOFTBALL

The Raiderettes are looking forward to a repeat performance of last year. With an unusually small loss through graduation, and an athletic group in the incoming freshman class, there is an excellent outlook for another undefeated season.

It is expected that games will be arranged on a home-and-home basis with Enfield, Hanover, Hartford, Newport, and one other school.

First row: A. Haskins, M. Alafat, D. Fillion, R. Ruel, R. Bellavance, W. Courtemanche, L. Trembley.
 Second row: B. Bond, J. Wilson, E. Boisvert, R. Alafat, F. Wall, A. Brown.

BASEBALL

Baseball practice started indoors in the gym on March 17. It is hoped that weather will permit outdoor practice by the first of April since the first game is scheduled for about the third week in April. Games have definitely been scheduled with Hanover, Hartford, Newport, and Stevens. Since Lebanon is in class A this year just as in basketball, we hope to add Franklin, Concord, Laconia, and Springfield, Vt. (all class A schools) to the schedule in order to play the minimum number of games in Class A (10) necessary to qualify for a tournament berth.

Returning lettermen include: infielders: Alton Brown, Harold Bond, Dick Alafat, and Don Fillion; outfielders: Leo Tremblay, Micky Alafat, and Billy Courtemanche; catchers Albert Haskins and Jim Wilson; and pitchers: Dick Ruel and Gene Boisvert. Only four men were lost from last year's squad and the only positions that have to be filled are first base and right field. Billy Courtemanche, an erstwhile outfielder-catcher, may attempt to convert into a first baseman in order to fill a sore gap there. Any other aspirants will also be tried. Other players who will probably be heard from are Frank Wall, "Red" Gage, Dick Guyer, Robert Brown, and Donald Langlands—all up from the J.V. squad.

Lebanon last year compiled a record of nine wins and four losses, the best yet under Coach Kingsbury, and with seven regulars returning the pre-season outlook is very bright indeed. Lebanon will play tougher competition this year than ever before, it is true, but the boys are sure to be trying their best at all times and should give a good account of themselves.

CHEER LEADERS

Advisor: Mrs. Blodgett

The enthusiasm of the cheerleaders with their new uniforms was an asset to the hardworking teams of L. H. S. this year.

The girls practiced faithfully throughout the summer vacation in order to prepare various new cheers and formations for the following school year.

The seniors who are leaving the squad this year are Joan Feenstra, Helen Goodman, Nancy LaCourse and Claire Louzier (Head).

We would like to thank Mrs. Blodgett for her generous help. She was really an aid to our squad of cheerleaders this year.

Vice President: DONALD SMITH

Librarian: CONNIE CANILLAS

Secretary: HELEN GOODMAN

Under the directorship of Mr. Harold Odell, the choir has completed a highly successful season. Several concerts were given and a Christmas cantata, "Glad Tidings of Great Joy" was presented.

The purpose of the choir is not only to entertain the public, but also to instruct the students. M. Odell was particularly successful in instruction this year, and the choir has greatly improved.

Many of the choir members are seniors and will leave in June, but because of the talent shown by the underclassmen, the choir is sure to be successful in the future as it was this year.

Within a week from the beginning of school the L. H. S. Orchestra was ready for its first public appearance; namely the first Parent-Teachers' Association meeting of the season. Since then it has been kept busy with its weekly task of providing entrance and exit music for the many assemblies during the school year. A few players were privileged by being sent to the All State Music Festival in Rochester. The orchestra's year will be climaxed by participating in the commencement activities. Under the direction of Music Supervisor, Mr. Harold Odell, the L. H. S. orchestra is sure to maintain its good reputation in spite of the loss of numerous musicians.

BAND

Under the capable leadership of Music Supervisor, Mr. Harold Odell, the L. H. S. Band was off to a fine start when it began the year by playing for the football games. It did its part in helping the team to its undefeated season not only by playing at the home games, but by also playing at Hartford and St. John's. As is usual, the band sent delegates to play in the All State Music Festival which was held in Rochester, N. H., this year. Even though the band will suffer the loss of many fine players, we know that, as in the past, the band will continue to serve Lebanon High School in a creditable manner.

MAJORETTES

Look! Here they come! These snappy, high stepping, L. H. S. majorettes are leading the band at a football game. What would a football game be like without these girls to add to the entertainment? Where would the band be without them?

This year all the girls had new, smart looking uniforms. They had to buy the material for their uniforms as well as make them or hire someone else to do the job.

Everyone has enjoyed seeing these majorettes strut and perform this year.

THE HUNGRY FOUR

Clarinet: H. BOND

Trombone: L. PRESCOTT

BASS: P. PARADY

Cornet: W. PRESCOTT

This popular little group was started late last summer and has been playing for school assemblies, church groups, organizations, and clubs since that time. Their entertainment usually consists of some famous German folk songs along with wise-cracks and weird actions. For this reason they are often called the German Band.

The members of this unique quartet have had many years' experience and are now active in the high school band, or orchestra, and the town band.

The freshman class has one representative in "Harry James" Prescott, the great trumpeter. The sophomores have one and one-half in Peter Paul Parady and his big bass horn, while the seniors top the list with two, trombonist Lloyd Prescott and Bud Bond on the clarinet.

Future plans remain undecided as two members are graduating.

DEBATING

This year marked the first time in recent years that Lebanon members have played such an active part at speech tournaments with inter-scholastic competition.

On January 5 Joan Eaton, Paul Cilley, Ronald Prue, and Shirley Lutz represented Lebanon at a speech tournament held at Spaulding High School, Rochester, N. H. The following week the latter three members participated in the tournament held at the University of New Hampshire. Through the creditable performances of these students, Lebanon was well represented in the sections of extemporaneous and impromptu speaking, dramatic and poetry, interpretation, and serious declamation.

The debating squad opened its season on March 22 at Randolph, Vermont, in an invitational tournament with Anna Emery and Carleton Sanborn, Robert Griffin and Shirley Lutz, Janice Shapiro and David Rihl participating. Although the Lebanon affirmative, Anna and Carleton, defeated Concord High School on March 28, the Lebanon negative, Shirley and Robert, lost to Laconia, and thus Lebanon was eliminated from further competition in the annual state championship tournament. Several practice debates were held with Newport, and Lebanon is tentatively scheduled to compete in debates at Burlington, Vermont.

Mr. Quimby deserves unlimited credit for his fine job of coaching and especially for fostering the qualities of poise, self-confidence, and speech technique in these students.

First row: M. Jackson, E. LaBelle, S. Laro, J. Patch, I. Pillsbury, B. Murphy, J. Leonard.
 Second row: Mrs. Oros, P. Birch, C. Collins, M. Rogers, I. LaCoss, J. Wheeler, H. Follensbee, A. Moulton.
 Third row: R. Roman, C. Kidder, L. Hardy, P. Stone, R. Crewe, N. Racicot, A. Gauthier, J. Ruel.

CAFETERIA CLUB

President: BARBARA CHURCHILL
Vice President: JANET PATCH
Secretary: SHIRLEY LARO
Treasurer: IVA PILLSBURY
Advisors: MRS. OROS AND MRS. HOLCOMB

Late in November Mrs. Oros called the Cafeteria Club to order. We elected our officers in early January. Just after mid-years Mrs. Oros left, and Mrs. Holcomb took over as our advisor.

This club takes charge of the hot lunch program. The advisors plan the menus and supervise the girls. Mrs. Brann prepares the meals. The girls work in two-week shifts serving and cleaning up after lunch. The girls volunteer for these shifts and we find that this method works very well.

First row: J. Dolloph, M. Dean, M. Laware, S. Crewe, J. Patch.
 Second row: Mrs. Had'y, V. Dolloph, F. Webberson.

LIBRARIANS CLUB

President: MAXINE LAWARE
Vice President: JANET PATCH
Secretary: MARILYN DEAN
Treasurer: SHIRLEY CREWE

First row: C. Louzier, Mrs. Harrison, J. Ruel,
Second row: R. Hambleton, R. Bellavance, N. Barden.

ASSEMBLY COMMITTEE

The Assembly Committee have been very diligent this school year in order to present some original assemblies.

They were able to secure many professional people to perform for the school this year through the Assembly Service. During sports seasons many rallies were held which helped the spirit of the teams.

Mrs. Harrison acted as advisor for the group and contributed many hours and ideas to make the assemblies successful.

First row: P. Cilley, R. Cantlin, B. Pearce, N. Barden, B. Goodhue, S. Nelson, A. Emery.
 Second row: Mr. Duncklee, M. Emery, J. Shapiro, A. LeShana, W. Paro, E. Carr, C. Trembly, B. Dupuis.
 Third row: A. Burlingame, A. Brown, M. Jackson, D. MacKenzie, B. Birch, P. Gosselin, J. Wheeler.

BOOSTER CLUB

The Booster Club recently completed its second year of successful advertising of school events. Football, basketball, hockey, association tickets, dances, and many other school functions were all given their share of gaily-colored posters on the bulletin boards, streamers in the halls, signs on the stairs, dummies suspended from the hall lights, and many other advertising stunts.

In the spring the annual Booster Club dance was held, the theme being a "Trip to Venus". Colored lights, spouting volcanoes, and rocket ships made it a great success.

With Mr. Duncklee as advisor, and with many hard-working members, the club is sure to continue on its merry way for many years.

First row: M. Randall, M. MacKenzie, T. Dutille, E. Budd, C. Canillas, J. Dunbar, I. Pillsbury.
Second row: Mrs. Lambert, J. Feenstra, S. Lutz, S. Laro, C. LeShana, H. Goodman, A. Emery.

FUTURE TEACHERS

The first meeting of the Future Teachers' Club was held in early September. Approximately twelve interested senior girls were present, and a schedule of events for the coming year was planned.

The club members were able to do several things: We taught at the Bank Street and School Street Schools in order to acquire first-hand experience; in the early spring, we held a cabaret; we journeyed to Plymouth Teachers' College for a day's visit.

Under the capable directorship of Mrs. Mildred Lambert, the advisor, the club has grown considerably. Good luck to the future teachers of next year!

First row: B. Courtermanche, H. Goodman, C. Canillas, S. Lutz, E. Budd, J. Feenstra, A. Emery,
 Second row: Mr. Quimby, A. Demers, G. Camp, J. Ruel, Miss Kiley,
 Third row: R. Dubuque, R. Hambleton, J. Dubuque, M. Contois.

PRESS CLUB

Although the school was not able to support a publication this year, a small group of students was interested in continuing the Press Club.

These students followed the news of the school and reported on such events as sports, socials, and assemblies. The articles were printed in the Free Press as "L. H. S. News."

Under the direction of Miss Kiley and Mr. Quimby, the Club has managed to remain a part of L. H. S. It is hoped that in the near future we will have our own publication once again.
